Q1

Does the Prime Consultant have to perform 50+% of the services for this project?

A1

We prefer the Prime to perform 50+% of the services. On a case by case basis, we will allow less than 50% (i.e., Prime 40%, sub 1 25%, sub 2 25% and sub 3 10%). This will only be for multi-discipline advertisements (Road, bridge, geotech, etc. all in the same ad). CCS does not feel that this project meets the requirements for this exception, therefore the Prime will be expected to perform 50+%.
